

## Product Information

### Bearhug™

#### Adjustable Bath and Basin Wrench Kit

#### BEARHUG BATH & BASIN WRENCH KIT Ref Code: BK1

This set comprises the Bearhug™ which allows the user to work on back nuts and tail nuts under basins and baths where access is restricted.

Both sizes of Bearhug™ adjustable wrenches are included along with a ratchet socket wrench and versatile extension bars to fit most areas.

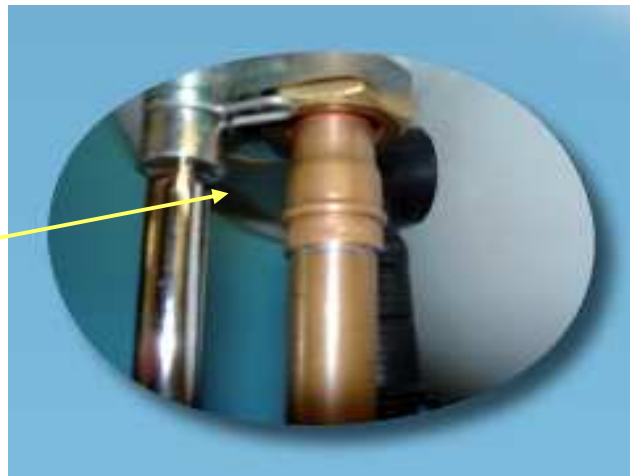

It comes in a strong and durable polypropylene case with a carrying handle and the components are neatly laid out in foam pockets.

#### Kit comprises:

- 1/2" & 3/4" Bearhug™ Adjustable Tap Wrenches
- 3/8" Ratchet Socket Wrench, 3" 3/8" Extension Bar, 6" 3/8" Extension Bar

Bearhug works on both Tap back nuts and tail nuts
